We supply discontinued automation spare parts for all major brands

WE, BRT Enterprises, from 2017 are one of the Automation parts Wholesaler, Trader, Retailer Importer and Exporter. We offer wide range of industrial automation products Like PLC, HMI, VFD, Servo amplifier & servo motors in all major brands Like SIEMENS, MITSUBISHI, GEFANUC, ABB, ALLEN BRADLEY, YASKAWA & OMRON. We also deal discontinued Automation spares parts for all major Brands. We are manufacturing control panels, Power Panels, Distribution Panels, APFC Panels, DG synchronizing panel & PLC Control panel.
